

Benefits of the Framework

- Save up to 22% on your print and copier paper
- Contracts tailored to your local needs, including multi-site drop-off and bespoke delivery notes and labeling
- You can offer suppliers between 6 and 24 months' commitment
- You pay no fee to use this framework.
- Flexibility to add non-core products (contact us for details)
- Speedy, secure e-auction process using Bravo Solutions' class-leading software
- You only award a contract if the e-auction price beats your target
- Environmental and social benefits

A4 Paper Framework

Including a tailor made bespoke logistical specification and e-Auction call off facility
F/002/CORP/13/RB 2013-012272

Who will the framework be available to?

This framework is available to any public sector body.

NHS Trusts do not pay any fees for this framework.

Background to the framework

The Countess of Chester Commercial Procurement Service has let a national framework agreement, open to all public sector bodies for the purchase of A4 print and copier paper. This framework was specifically designed to deliver savings, offer commitment to the market place, support SME's and assist innovations in environmental performance and alternative logistics.

How the Framework Operates

This framework is really easy to use, with only 5 simple steps.

Step 1 – Contact us for a launch meeting

Step 2 – We will issue your exact local requirements and the length of contract that you want to all framework suppliers.

Step 3 – The framework suppliers say whether or not they agree to fully meet your exact local requirements.

Step 4 – We run a price-only e-auction with the framework suppliers who agree to fully meet your exact local requirements.

Step 5 – You award a contract to the winning supplier and start making your savings!
