Commercial Procurement Services

Contract & Asset Lifecycle Management

Single Supplier National Framework Agreement

F/015/CORP/14/RB / 2014-010081

What...

The Countess of Chester Commercial Procurement Service has let a single supplier national framework agreement for the supply of contract and asset lifecycle management services.

Equipment maintenance is a major expenditure area for Trusts, with spend equating to somewhere in the region of 3%+ of total non pay spend.

This framework was specifically designed to provide Authorities quick and compliant access to specialist knowledge and services which are able to deliver savings on existing and future asset maintenance contracts.

Who...

This framework is available to any public sector body. All services are supplied by:

How...

This framework is easy to use, with only 4 simple steps.

Step 1 – Contact us to express interest in using the Framework.

Step 2 – We will put you in touch with the Framework Supplier, Leaseguard, who will discuss in detail the potential benefits for your organisation.

Step 3 – Once the scope of the call-off is agreed we will issue you with a unique framework order reference number along with a copy of the call-off contract service agreement.

Step 4 – Leaseguard will work with your organisation directly to deliver the benefits over the agreed implementation period.

To start using this framework and gain the benefits contact:
